

Attention

BUSINESS OWNERS and MANAGERS

Need to improve your business productivity and the bottom line...Look No Further!

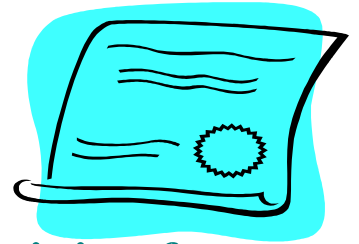

Oz Adventures

in conjunction with

JobSmart

presents

Outdoor Experiential Adventure-based Training for Frontline Managers

What is it?

This is a **unique and affordable way to successfully train and motivate your staff**, to lift your business to that next level. It incorporates structured training in units from the *BSB41004 Certificate IV in Business (Frontline Management (FLM))* reinforced by Realistic Adventure-based Challenges that relate directly back to your everyday work environment.

What it involves!

Over a four-day period your staff, irrespective of their fitness levels; will participate in:

Abseiling – Paintball/Skirmish - Group Dynamics – Problem Solving
High Element Challenges – Face to Face Tutoring.

PLUS

Structured Nationally Recognised Training Units

BSBFLM403B, Implement effective workplace relationships

BSBFLM412A Promote team effectiveness

Key Experiential Concepts!

By participating in these activities, the benefits for individuals and teams are improved and realistic:

Self Discipline – Leadership – Self Awareness
Conflict Resolution – Problem Solving – Self Belief
Listening Skills – Trust – Communication.

- Bulk of activities are on-site and fully catered.
- Get to see and experience **Fraser Island**, the largest sand island in the world.
- Extend yourself while having fun.

Practical work based outcomes!

This program will provide participants with the right attitude and tools to be better able to:
Motivate individuals and teams – Improve productivity – Perform more consistently – Handle pressure situations – Improve your bottom line - To deal with different types of people.

Do you want a team of champions or a champion team?

The choice is simple, so please don't delay, contact us now for more details!
